Explanatory notes

These explanatory notes have been prepared for Shareholders in connection with the business to be conducted at the Annual General Meeting (**Meeting**) to be held at 3:00pm (Sydney time) on 30 November 2023 via the online platform contained at <https://meetings.linkgroup.com/INP23>.

These notes provide information which the Directors believe to be material to Shareholders in deciding how to vote on the resolutions to be put to the Meeting.

If you are in any doubt about what to do in relation to this document or about how to vote on the resolutions to be put to the Meeting, you should seek advice from an accountant, solicitor or other professional advisor.

Item 1 – Financial report, directors’ report and auditor’s report

As required by the Corporations Act, the business of the Meeting will include receipt and consideration of the Annual Financial Report of the Company for the financial year ended 30 June 2023 together with the director’s report, the remuneration report and the auditor’s report.

The Company is no longer required to send a copy of the Annual Report to Shareholders unless Shareholders specifically elect to receive a copy. A copy of the Company’s Annual Report is available from the Company’s website at www.incentiapay.com.

No resolution is required for this item, but Shareholders will be given the opportunity to ask questions and to make comments on the management and performance of the Company.

Item 2 – Adoption of remuneration report

Section 250R of the Corporations Act requires a listed company to put a resolution to Shareholders to adopt its remuneration report for the relevant financial year. The Company’s remuneration report for the financial year ended 30 June 2023 can be found at pages 28 - 37 of the Company’s Annual Report.

The remuneration report explains the Board’s policies in relation to the nature and level of remuneration paid to the Company’s KMP (including the Company’s Chief Executive Officer and other senior executives, as well as the Company’s Non-Executive Directors).

The vote on the remuneration report is advisory only and does not bind the Directors or the Company. However, under the Corporations Act:

- if, at least 25% of the votes cast at any AGM on a resolution to adopt the remuneration report are cast against the adoption of the remuneration report, the Company’s next remuneration report must explain the Board’s proposed action in response or explain why no action has been taken; and
- if, at the AGM in the following year, at least 25% of the votes cast on a resolution to adopt the remuneration report are cast against the adoption of the remuneration report, a resolution must be put to the Shareholders that another meeting be held within 90 days at which all the Directors who were directors when the resolution to approve the Directors’ report for that year was passed, excluding any managing director, would need to stand for re-election.

Board recommendation

Board recommendation

The Board recommends that shareholders vote **in favour** of this Item.

Item 4 – Appointment of William Buck as auditor

As announced to the ASX on 12 October 2023, the Australian Securities and Investments Commission has consented to the resignation of KPMG as the Company's auditor with the resignation to take effect at this Meeting.

Under section 327B(1) of the Corporations Act, a public company must appoint an auditor at each AGM in which there is a vacancy in the office of auditor. Accordingly, the resolution in Item 4 seeks shareholder approval to appoint William Buck as the Company's auditor to fill the vacancy caused by KPMG's resignation.

In accordance with section 328B of the Corporations Act, the Company has received a notice from a Shareholder of the Company nominating William Buck for appointment as the new auditor of the Company. A copy of this notice is attached as Annexure 5 to this notice of meeting.

William Buck has provided the Company with its written consent to act as auditor of the Company in accordance with section 328A(1) of the Corporations Act (and has not withdrawn its written consent to act as auditor of the Company) subject to the receipt of Shareholder approval and ASIC's consent to resignation of KPMG.

If the resolution in Item 4 is passed, the appointment of William Buck as the Company's auditor will take effect from the closure of the meeting.

Item 5 – Ratification of appointment of Ani Chakraborty as Managing Director

Pursuant to clauses 46(b) and 52(a) of the Company's constitution, the Board had appointed Mr Chakraborty as managing director of the Company with effect from 31 May 2023. For the purposes of complete transparency, the Company alongside Mr Chakraborty would like to ratify his appointment as managing director at this AGM.

Mr Chakraborty holds a bachelor of technology and Masters in business administration and has more than 20 years of strategy and transformational experience in several different sectors including: digital operations, infrastructure, utilities and resources. Mr Chakraborty has served as an investment director at Hastings Funds Management and has a management consulting background, primarily with McKinsey & Company.

Board recommendation

The Board recommends that shareholders vote **in favour** of this Item.

Board recommendation

The Board (other than Ani Chakraborty) recommends that shareholders vote **in favour** of this Item.

Item 6 – Approval to issue Performance Rights to Ani Chakraborty under Employee Incentive Plan

Background – Employee Incentive Plan

The Board has adopted an employee incentive plan for the purposes of incentivising, attracting, motivating and retaining eligible employees of the Company personnel including the managing director (**Employee Incentive Plan**). The Company considers that the adoption of the Employee Incentive Plan and the granting of awards thereunder will incentivise eligible participants by giving them the opportunity to participate in the future growth of the Company. A summary of the key terms of the Employee Incentive Plan is set out in Annexure 1 to this notice of meeting, and a copy of the rules of the Employee Incentive Plan is available upon request from the Company.

The Employee Incentive Plan is a flexible employee incentive scheme that enables the Company to offer employees (including executive directors) a range of different interests or awards to reward and drive performance, retain senior management and other selected employees and to offer broad based employee share ownership. These interests or awards include performance rights, options, cash rights, deferred share awards, exempt share awards, service rights and stock appreciation rights.

The types of interest that may be offered to employees will be determined by a number of factors, including:

- (a) remuneration or incentive purpose of the award;
- (b) the tax jurisdiction that the participating employee lives and/or works in;
- (c) the laws governing equity incentives where the participating employee lives and/or works; and
- (d) the logistics and compliance costs associated with the offering equity incentives where the participating employee lives or works.

Whenever Shares are acquired under the Employee Incentive Plan, they may be acquired and held by an employee share trust. If an employee share trust is established it will be governed by a trust deed which will outline the rules of the employee share trust and the responsibilities of the trustee, the Company and the participants. If established, a copy of the trust deed will be available upon request from the Company.

The Company has determined not to seek shareholder approval, pursuant to the exception in Listing Rule 7.2, in connection with the Employee Incentive Plan at this Meeting as the maximum number of securities proposed to be issued under the Employee Incentive Plan has not been finalised. Accordingly, any issues of the securities under the Employee Incentive Plan will be made in reliance on the Company's placement capacity calculable under Listing Rule 7.1 or another exemption available under Listing Rule 7.2.

Background – Proposed issue of Performance Rights to Ani Chakraborty

In recognition of his performance and to further align Ani Chakraborty's interests with the Company, the Company has agreed, subject to obtaining Shareholder approval, for Mr Chakraborty to participate in and be issued 4,250,000 Performance Rights under the Employee Incentive Plan on the terms and conditions described below.

Terms of proposed issue of Performance Rights to Mr Chakraborty

The Company proposes, subject to obtaining Shareholder approval under this Item 6, to issue 4,250,000 Performance Rights to Mr Chakraborty under Employee Incentive Plan as follows:

- (a) each Performance Right represents an entitlement upon vesting and exercise to receive a Share;
- (b) the Performance Rights will be issued as a short-term incentive in connection with Mr Chakraborty's employment as Chief Executive Officer / Managing Director of the Company for the financial year ended 30 June 2024;
- (c) the Performance Rights will be issued at a \$nil issue price and the Company will not receive

any consideration in connection with the issue of the Performance Rights or an exercise of the Performance Rights;

- (d) vesting of the Performance Rights will be subject to Mr Chakraborty remaining continuously employed by the Company from the date of issue of the Performance Rights up to and including 1 July 2024;
- (e) if Mr Chakraborty's employment with the Company ceases prior to 1 July 2024 due to death, terminal illness, total and permanent disability, mental illness or otherwise with the agreement of the Board, the unvested Performance Rights will vest on a pro-rata basis to the relevant period in which Mr Chakraborty was employed during the financial year ended 30 June 2024. The remaining unvested Performance Rights will be forfeited and cancelled;
- (f) if Mr Chakraborty's employment with the Company ceases prior to 1 July 2024 in any other circumstances not captured in paragraph (e) above, all the unvested Performance Rights will be forfeited and cancelled;
- (g) the Performance Rights will not be quoted on the ASX;
- (h) the Shares issued upon exercise of the Performance Rights will not be subject to any transfer restrictions; and
- (i) if there is a change of control of the Company (defined in the Employee Incentive Plan as a 'Corporate Control Event') prior to 1 July 2024, the Performance Rights shall automatically vest.

The Company intends to make one or more additional offers of Performance Rights to other employees of the Company on the above terms, however, as at the date of this notice, no other individual offers have been finalised.

Approval for the purposes of ASX Listing Rule 10.14 is sought

ASX Listing Rule 10.14.1 requires a listed entity to obtain shareholder approval by ordinary resolution prior to the issue of, or agreement to issue, Securities under an employee incentive scheme to a person who is a Related Party. As a Director of the Company, Mr Chakraborty is a related party falling within the category set out in ASX Listing Rule 10.14.1.

Accordingly, Item 6 seeks Shareholder approval for the proposed issue of 4,250,000 Performance Rights under the Employee Incentive Plan to Mr Chakraborty pursuant to ASX Listing Rule 10.14. To understand the dilutionary effect of passing this resolution, please see Annexure 2. If Item 6 is not passed, the Performance Rights will not be issued to Mr Chakraborty.

Details of any Performance Rights issued pursuant to the Employee Incentive Plan will be published in the annual report of the Company relating to the period in which they were issued, along with a statement that approval for the issue was obtained under ASX Listing Rule 10.14.

Any additional persons covered by ASX Listing Rule 10.14 who become entitled to participate in the Employee Incentive Plan after this resolution is approved and who are not named in this Notice will not participate or be issued securities until approval is obtained under that rule.

Approval for the purposes of Chapter 2E of the Corporations Act not sought

For a public company, or an entity that a public company controls, to give a financial benefit to a Related Party of the public company, the public company or entity must:

- (a) obtain the approval of the public company's members in the manner set out in sections 221 to 227 of the Corporations Act; and
- (b) give the benefit within 15 months following such approval,

unless the giving of the financial benefit falls within an exception set out in sections 210 to 216 of the Corporations Act.

A 'financial benefit' for the purposes of the Corporations Act has a wide meaning and captures the issue

of the Performance Rights to Mr Chakraborty. Consequently, the proposed issue of the 4,250,000 Performance Rights under this resolution will, for the purposes of Chapter 2E of the Corporations Act, constitute giving a financial benefit to a Related Party of the Company.

The Directors (not including Mr Chakraborty) are of the view that the giving of the financial benefit to Mr Chakraborty as a Related Party of the Company is reasonable remuneration and falls within the exception in section 211 of the Corporations Act.

Accordingly, Shareholder approval for the purposes of Chapter 2E is not being sought.

Shareholder approval under ASX Listing Rule 10.11 not sought

Listing Rule 10.11 requires shareholder approval to be obtained where an entity issues, or agrees to issue, securities to a related party or substantial holder, unless an exception in Listing Rule 10.12 applies.

The Company is seeking to rely on exception 8 of Listing Rule 10.12 which applies only if an issue of equity securities to a related party under an employee incentive plan is made, or taken to have been made, with the approval of the holders of the entity's ordinary securities under Listing Rule 10.14. As such, the Company is seeking Shareholder approval for the purposes of Listing Rule 10.14 for this resolution.

Shareholder approval under ASX Listing Rule 7.1 not sought

Exception 14 to ASX Listing Rule 7.2 provides that if shareholder approval for a transaction is being obtained pursuant to ASX Listing Rule 10.14, approval is not required under ASX Listing Rule 7.1. Therefore, Shareholder approval is not being sought for the approval of this resolution.

Specific information required by ASX Listing Rule 10.15

In accordance with Listing Rule 10.15, the following information is provided:

- (a) the Performance Rights will be issued to Ani Chakraborty (or his nominee);
- (b) Mr Chakraborty is a related party of the Company pursuant to ASX Listing Rule 10.14.1 by virtue of being a Director of the Company;
- (c) the Company proposes to issue Mr Chakraborty 4,250,000 Performance Rights under the Employee Incentive Plan;
- (d) Mr Chakraborty's current remuneration per annum comprises:
 - (i) a fixed base salary of \$358,899 per annum (incl. superannuation);
 - (ii) directors' fees of \$42,400 (incl. superannuation); and
 - (iii) \$600 worth of other short-term benefits;
- (e) Mr Chakraborty has not previously been issued any securities under the Employee Incentive Plan;
- (f) a summary of the material terms of the Performance Rights has been detailed above under the sub-heading 'Terms of proposed issue of Performance Rights to Mr Chakraborty';
- (g) as opposed to Shares or other securities issuable under the Employee Incentive Plan, Performance Rights, together with the vesting condition underlying the Performance Rights, have been chosen in order to further enhance the alignment of Mr Chakraborty's interests with the interests of Shareholders. Additionally, Performance Rights have been chosen because:
 - (i) they are simple to understand; and
 - (ii) Mr Chakraborty will only obtain the value of the Performance Rights upon satisfaction of the vesting condition;
- (h) noting that each Performance Right represents an entitlement upon vesting and exercise to receive a Share, the total value the Company attributes to the Performance Rights proposed to be issued to Mr Chakraborty is \$29,750 (based on the closing price of the Company's Shares

on ASX on 26 October 2023). The Company did not obtain an independent valuation in connection with the proposed issue of the Performance Rights to Mr Chakraborty;

- (i) the Performance Rights will be issued to Mr Chakraborty in December 2023 and, in any event, no later than 3 years after the date of this Meeting;
- (j) the Performance Rights will be granted to Mr Chakraborty (or his nominee) at \$nil issue price;
- (k) the material terms of the Employee Incentive Plan are attached at Annexure 1 to this notice of meeting;
- (l) no loan has been, or is intended to be, entered into with respect to the issue of the Performance Rights to Mr Chakraborty under the Employee Incentive Plan;
- (m) details of any Performance Rights issued to Mr Chakraborty under the Employee Incentive Plan will be published in the Company's annual report for the respective period in which they were issued, and will include a statement that approval under Listing Rule 10.14 for the issue was obtained at this Meeting;
- (n) any additional persons covered by Listing Rule 10.14 who become entitled to participate in an issue of securities under the Employee Incentive Plan after this resolution is approved but who are not named in this notice of meeting will not participate until shareholder approval is obtained under Listing Rule 10.14; and
- (o) a voting exclusion statement is included in the notice of meeting.

Board recommendation

The Board (other than Ani Chakraborty) recommends that shareholders vote **in favour** of this Item.

Item 7 – Approval of Loan Funded Share Plan for Non-executive Directors

Background

The Board has adopted a Loan Funded Share Plan for the purposes of incentivising, attracting, motivating and retaining eligible non-executive Directors of the Company. Broadly, the Loan Funded Share Plan enables the Company to make an interest-free limited recourse loan to a non-executive Director to enable them to acquire Shares (**Plan Shares**) in the Company at approximately market value and with no discount.

The Company considers that the adoption of the Loan Funded Share Plan and the issuing of Plan Shares will incentivise eligible non-executive Directors by giving them the opportunity to participate in the future growth of the Company. A summary of the material terms of the Loan Funded Share Plan is set out in Annexure 3.

Sections 257B, 259B and 260C of the Corporations Act

The resolution in Item 7 of this notice of meeting seeks the approval of Shareholders in connection with the Loan Funded Share Plan for the purposes of sections 257B, 259B and 260C of the Corporations Act. The implications of approval under these respective sections of the Corporations Act is discussed below.

Employee share scheme buy-back: section 257B of the Corporations Act

Section 257B(1) of the Corporations Act sets out the shareholder approval requirements and the procedures for implementing various forms of share buy-back, including an 'employee share scheme buy-back'. In order for the Company to undertake a buy-back of Plan Shares issued under the Loan Funded Share Plan (e.g where Plan Shares have been forfeited) using the employee share scheme buy-back procedure under the Corporations Act, the Loan Funded Share Plan must be approved by Shareholders.

Accordingly, Shareholders are asked to approve the Loan Funded Share Plan under section 257B(1) of the Corporations Act in order for the Company to be able to undertake a buy-back of Plan Shares using the employee share-scheme buy-back procedure.

Enabling the Company to take security over its own Shares: section 259B of the Corporations Act

Section 259B(1) of the Corporations Act prohibits a company taking security over shares in itself or in a company that controls it, unless one of the exceptions in subsections 259B(2) or 259B(3) applies. Section 259B(2) provides that a company may take security over shares in itself under an employee share scheme that has been approved by a resolution passed at a general meeting of the company.

The Company intends to take security over its Shares as part of its offers under the Loan Funded Share Plan as it involves the provision of a limited-recourse loan to the relevant non-executive Director for the acquisition of the Shares. The loan agreement for the relevant limited-recourse loan provides for the Company to take security over the Shares acquired by the non-executive Director under the Loan Funded Share Plan once Shareholder approval is obtained under section 259B(1) of the Corporations Act. Shareholders are asked to approve the Loan Funded Share Plan for the purposes of section 259B of the Corporations Act.

Financial assistance

Section 260A of the Corporations Act provides that a company may financially assist a person to acquire shares in the company or a holding company of the company only if:

- giving the assistance does not materially prejudice the interests of the company or its shareholders or the company's ability to pay its creditors; or
- the assistance is approved by shareholders under section 260B; or
- the assistance is exempted under section 260C.

Section 260C of the Corporations Act provides for certain specific instances of exempted financial assistance, including a special exemption for employee share schemes that have been approved by a resolution passed at a general meeting of the company (section 260C(4)). As an integral feature of the Loan Funded Share Plan, the Company will provide financial assistance to participants to acquire Shares in the form of limited-recourse loans, which will be interest-and fee-free, limited-recourse loans.

Whilst the Board does not believe that the provision of financial assistance to participants to enable them to participate in the Loan Funded Share Plan will materially prejudice the interests of the Company or its Shareholders or the Company's ability to pay its creditors, Shareholders are asked to approve the Loan Funded Share Plan under section 260C(4) of the Corporations Act so that there is no doubt that the provision of financial assistance will comply with section 260A of the Corporations Act.

Board recommendation

The Board (other than Dean Palmer and Charles Romito) recommends that shareholders vote **in favour** of this Item.

Item 8 – Approval to issue Plan Shares to Charles Romito under Loan Funded Share Plan

The Company has agreed, subject to obtaining Shareholder approval, to the participation in and issue of Plan Shares to Charles Romito under the Loan Funded Share Plan. It is proposed that the following number of Plan Shares be issued under the Loan Funded Share Plan and otherwise on the terms set out below.

Terms of proposed issues of Plan Shares

A total of 12,651,000 Plan Shares to Charles Romito comprised of the following tranches:

- (a) Tranche 1: 4,217,000 Plan Shares;
- (b) Tranche 2: 4,217,000 Plan Shares; and
- (c) Tranche 3: 4,217,000 Plan Shares.

The purpose of the proposed issues of the Plan Shares is to compensate and further incentivise Dr Romito for his work and contributions to the Company. The value of the Plan Shares proposed to be issued to Dr Romito was determined having regard to the current remuneration package Dr Romito which is detailed in Annexure 4.

The issue price for Plan Shares will be the 30-trading day VWAP of Shares up to the date of the invitation letter which is expected to be on or about the date of this notice of meeting. The Company, however, will not receive any cash payment on issue of the Plan Shares as the acquisition of the Plan Shares by Dr Romito will be funded by an interest-free limited recourse loan from the Company and otherwise in accordance with the Loan Funded Share Plan.

Vesting of the Plan Shares proposed to be issued under Item 8 will be subject to Dr Romito continuously remaining a non-executive Director through the following dates:

- (a) in respect of Tranche 1 of the Plan Shares, 1 July 2024;
- (b) in respect of Tranche 2 of the Plan Shares, 1 July 2025; and
- (c) in respect of Tranche 3 of the Plan Shares, 1 July 2026.

If Dr Romito fails to be re-elected to the Board at an annual general meeting of the Company or ceases to be a Director as a result of a resolution passed by members of the Company pursuant to section 203D of the Corporations Act, he will be considered a ‘good leaver’ for the purposes of the Loan Funded Share Plan and any unvested Plan Shares will be treated accordingly.

Approval for the purposes of ASX Listing Rule 10.14 is sought

ASX Listing Rule 10.14.1 requires a listed entity to obtain shareholder approval by ordinary resolution prior to the issue of, or agreement to issue, Securities under an employee incentive scheme to a person who is a Related Party. As a Director of the Company, Dr Romito is a related party falling within the category set out in ASX Listing Rule 10.14.1.

Accordingly, Item 8 seeks Shareholder approval for the proposed issue of Plan Shares under the Loan Funded Share Plan to Dr Romito pursuant to ASX Listing Rule 10.14. To understand the dilutionary effect of passing this Item, please see Annexure 2.

If Item 8 is not passed, Plan Shares will not be issued to Dr Romito respectively.

Details of any Plan Shares issued under the Loan Funded Share Plan will be published in the annual report of the Company relating to the period in which they were issued, along with a statement that approval for the issue was obtained under ASX Listing Rule 10.14.

Any additional persons covered by ASX Listing Rule 10.14 who become entitled to participate in the Loan Funded Share Plan after one or more of these Items are approved and who are not named in this Notice will not participate until approval is obtained under that rule.

Approval for the purposes of Chapter 2E of the Corporations Act not sought

For a public company, or an entity that a public company controls, to give a financial benefit to a Related Party of the public company, the public company or entity must:

- (a) obtain the approval of the public company’s members in the manner set out in sections 223 to 227 of the Corporations Act; and
- (b) give the benefit within 15 months following such approval,

unless the giving of the financial benefit falls within an exception set out in sections 210 to 216 of the Corporations Act.

A ‘financial benefit’ for the purposes of the Corporations Act has a wide meaning and captures the issue of the Plan Shares to Dr Romito. Consequently, the issue of the Plan Shares under Item 8 will, for the purposes of Chapter 2E of the Corporations Act, constitute giving a financial benefit to a Related Party of the Company.

The Directors (excluding Dr Romito) are of the view that, in respect of the proposed issued of Plan Shares pursuant to Item 8, the giving of the financial benefit to Dr Romito as a Related Party of the Company is reasonable remuneration and falls within the exception in section 211 of the Corporations Act.

Accordingly, Shareholder approval for the purposes of Chapter 2E is not being sought.

Shareholder approval under ASX Listing Rule 10.11 not sought

Listing Rule 10.11 requires shareholder approval to be obtained where an entity issues, or agrees to issue, securities to a related party or substantial holder, unless an exception in Listing Rule 10.12 applies.

The Company is seeking to rely on exception 8 of Listing Rule 10.12 which applies only if an issue of equity securities to a related party under an employee incentive plan is made, or taken to have been made, under the approval of the holders of the entity's ordinary securities under Listing Rule 10.14. As such, the Company is seeking Shareholder approval for the purposes of Listing Rule 10.14 under Item 8.

Shareholder approval under ASX Listing Rule 7.1 not sought

Exception 14 to ASX Listing Rule 7.2 provides that if shareholder approval for a transaction is being obtained pursuant to ASX Listing Rule 10.14, approval is not required under ASX Listing Rule 7.1. Therefore, Shareholder approval is not being sought for the approval of these Items.

Specific information required by ASX Listing Rule 10.15

For Item 8, the information required by ASX Listing Rule 10.15 has been set out in Annexure 4.

Board recommendation

The Board (other than Charles Romito) recommends that shareholders vote **in favour** of Item 8.

Item 9 – Approval of capacity to issue securities under Listing Rule 7.1A

Summary of Listing Rules 7.1 and 7.1A

Broadly speaking, and subject to a number of exceptions, Listing Rule 7.1 limits the amount of equity securities that a listed company can issue without the approval of its shareholders over any 12 month period to 15% of the fully paid ordinary securities it had on issue at the start of that period.

Under Listing Rule 7.1A, however, an eligible entity can seek approval from its members, by way of a special resolution passed at its annual general meeting, to increase this 15% limit by an extra 10% to 25%.

An 'eligible entity' means an entity which is not included in the S&P/ASX 300 Index and which has a market capitalisation of \$300 million or less. The Company is an eligible entity for these purposes.

Item 9 seeks Shareholder approval by way of special resolution for the Company to have the additional 10% capacity provided for in Listing Rule 7.1A to issue equity securities without Shareholder approval.

If Item 9 is passed, the Company will be able to issue equity securities up to the combined 25% limit in Listing Rules 7.1 and 7.1A without any further Shareholder approval.

If Item 9 is not passed, the Company will not be able to access the additional 10% capacity to issue equity securities to issue equity securities without Shareholder provided for in Listing Rule 7.1A and will remain subject to the 15% limit on issuing equity securities without Shareholder approval set out in Listing Rule 7.1.

Specific information required by Listing Rule 7.3A

If this resolution is approved, the Company may make an issue of equity securities under Listing Rule 7.1A at any time (either on a single date or progressively) up until the earlier of:

- the date which is 12 months after the date of the Meeting;
- the time and date of the Company's next annual general meeting; and
- the time and date on which Shareholders approve a transaction under Listing Rule 11.1.2 (a significant change to the nature or scale of activities) or 11.2 (disposal of main undertaking).

At the date of this notice, the Company is an 'eligible entity', and therefore able to seek approval under Listing Rule 7.1A, as it is not included in the S&P/ASX300 and has a market capitalisation less than the amount prescribed by ASX (currently \$300 million). If at the time of the Annual General Meeting the

Company is no longer an eligible entity, this resolution will be withdrawn.

The maximum number of equity securities which may be issued in the capital of the Company under the approval sought by this resolution will be determined in accordance with the following formula prescribed in Listing Rule 7.1A.2:

(A x D) – E

where:

A is the number of Shares on issue 12 months before the date of issue or agreement to issue:

- (c) plus the number of fully paid Shares issued in the last 12 months before the date of issue or agreement to issue (**Relevant Period**) under an exception in Listing Rule 7.2 other than exceptions 9, 16 or 17;
- (d) plus the number of fully paid Shares issued in the Relevant Period on the conversion of convertible securities within Listing Rule 7.2 exception 9 where:
 - (i) the convertible securities were issued or agreed to be issued before the commencement of the Relevant Period; or
 - (ii) the issue of, or agreement to issue, the convertible securities was approved, or taken under the Listing Rules to have been approved, under Listing Rule 7.1 or Listing Rule 7.4;
- (e) plus the number of Shares issued in the Relevant Period under an agreement to issue securities within Listing Rule 7.2 exception 16 where:
 - (i) the agreement was entered into before the commencement of the of the Relevant Period; or
 - (ii) the agreement or issue was approved, or taken under the Listing Rules to have been approved, under Listing Rule 7.1 or Listing Rule 7.4;
- (f) plus the number of partly paid Shares that became fully paid in the Relevant Period;
- (g) less the number of fully paid Shares cancelled in the Relevant Period;

D is 10%;

E is the number of equity securities issued or agreed to be issued under Listing Rule 7.1A.2 in the Relevant Period that are not issued with the approval of Shareholders under Listing Rules 7.1 or 7.4.

The effect of the resolution will be to allow the Company to issue equity securities under Listing Rule 7.1A without using the Company's 15% Placement Capacity under Listing Rule 7.1.

As at 18 October 2023 the Company has on issue 1,265,063,625 Shares and therefore has capacity to issue:

- 189,759,543 equity securities under Listing Rule 7.1; and
- subject to Shareholder approval being sought under this resolution 126,506,362 equity securities under Listing Rule 7.1A.

The issue price of the equity securities issued under Listing Rule 7.1A will be determined at the time of issue. The minimum price at which the equity securities which are the subject of this resolution will be issued is 75% of the volume weighted average market (closing) price (**VWAP**) of the Company's equity securities over the 15 days on which trades in that class were recorded immediately before either:

- the date on which the price at which the equity securities are to be issued is agreed; or
- if the equity securities are not issued within 10 trading days of the date above, the date on which the securities are issued.

If this resolution is approved, and the Company issues equity securities under Listing Rule 7.1A, the existing Shareholders' voting power in the Company will be diluted.

There is a risk that:

- the market price for the Company's equity securities may be significantly lower on the issue date than on the date of the approval of this resolution; and
- the equity securities issued under Listing Rule 7.1A may be issued at a price that is at a discount (as described above) to the market price for the Company's equity securities on the issue date,

which may have an effect on the amount of funds raised by the issue.

The table set out below shows the dilution of existing Shareholders on the basis of:

- the market price of the Company's ordinary Shares as at 18 October 2023 and the number of ordinary securities as at 18 October 2023;
- two examples where the number of ordinary Shares on issue ("A") has increased, by 50% and 100%. This may occur as a result of issues of ordinary Shares that do not require Shareholder approval (for example, pro-rata entitlement issues) or as a result of future specific placements under Listing Rule 7.1 that are approved by Shareholders; and
- two examples of where the issue price of ordinary securities has decreased by 50% and increased by 100% as against the market price as at 18 October 2023.

Variable "A" (ASX Listing Rule 7.1A.2)		\$0.003 =>50% decrease in issue price	\$0.007 Issue price*	\$0.014 100% increase in issue price

Notes:

1. The table assumes that the Company issues the maximum number of equity securities available under Listing Rule 7.1A.
2. The table assumes that no options are exercised in ordinary Shares before the date of the issue of equity securities under Listing Rule 7.1A.
3. The table does not show an example of dilution that may be caused to a particular Shareholder by reason of issues of equity securities under Listing Rule 7.1A based on that Shareholder's holding at the date of this notice.
4. The table shows the effect of an issue of equity securities under Listing Rule 7.1A, not under the Company's 15% Placement Capacity under Listing Rule 7.1.
5. The issue of equity securities under the Listing Rule 7.1A consists only of ordinary Shares. If the issue of equity securities includes options, it is assumed that those options are exercised into ordinary Shares for the purposes of calculating the voting dilution effect on existing Shareholders.

* Based on the closing price of the Company's Shares on ASX on 18 October 2023.

** Based on the Company's Share structure as at 18 October 2023.

If this resolution is approved the Company will have the ability to issue up to 10% of its issued capital without further Shareholder approval and therefore allow it to take advantage of opportunities to obtain further funds if required and available in the future.

As at the date of this notice, the Company has not formed an intention to offer any equity securities under Listing Rule 7.1A to any particular person or at any particular time. The total amount that may be raised by the issue of equity securities under Listing Rule 7.1A will depend on the issue price of the equity securities which will be determined at the time of issue. The Company may only issue equity securities under Listing Rule 7.1A for a cash consideration. While the Company has not formed an intention to offer any equity securities under Listing Rule 7.1A, some of the purposes for which the Company may issue equity securities under Listing Rule 7.1A include (but are not limited to):

- raising funds to further develop the Company's business; or
- raising funds to be applied to the Company's working capital requirements.

Details regarding the purposes for which any particular issue under Listing Rule 7.1A is made will be more fully detailed in an announcement to the ASX made pursuant to Listing Rule 7.1A.4 and Listing Rule 3.10.3 at the time the issue is made. The identity of the allottees of equity securities under Listing Rule 7.1A will be determined at the time the Company decides to make an issue having regard to a number of factors including:

- the capital raising and acquisition opportunities available to the Company and any alternative methods for raising funds or acquiring assets that are available to the Company;
- the potential effect on the control of the Company;
- the Company's financial situation and its likely future capital requirements; and
- advice from the Company's corporate or financial advisers.

Offers made under Listing Rule 7.1A may be made to parties including professional and sophisticated investors, existing Shareholders of the Company, clients of Australian Financial Services Licence holders and/or their nominees, or any other person to whom the Company is able to make an offer of equity securities.

The allocation policy the Company may adopt for a particular issue of equity securities under Listing Rule 7.1A and the terms on which those equity securities may be offered will depend upon the circumstances existing at the time of the proposed capital raising under Listing Rule 7.1A. Subject to the requirements of the Listing Rules and the Corporations Act, the Directors reserve the right to determine at the time of any issue of equity securities under Listing Rule 7.1A, the allocation policy that the Company will adopt for that issue.

The Company has not issued or agreed to issue any equity securities under Listing Rule 7.1A.2 in the 12 months preceding the date of the Meeting.

This resolution is a special resolution. For a special resolution to be passed, at least 75% of the votes validly cast on the resolution by Shareholders (by number of Shares) must be in favour of this resolution.
